An alternative ending may be chosen - see next page.

Alternative endings:

The given organ ending can be revised to allow a modulation into any desired key (or to remain in Gb). A short sequence of simple major and minor chords is suggested, as in the examples.

From my days long ago as a chorister I remembered Edgar Bainton's anthem set to these words, but could recall only the words and not the music. After drafting my version I renewed my acquaintance with his, finding a few unexpected similarities. One was unacceptable and had to go, but I am satisfied that any others are coincidental (as in the falling phrase on "first heaven") or inevitable (as in the rhythm on "behold"). Nevertheless I acknowledge my debt to Bainton, whose rendering is, I am sure, the superior.
